Icardi Barolo 2013- 93 pts Icardi's 2013 Barolo Parej is gorgeous.

A rush of rose petal and lavender lifts from the glass, followed by red berry flavors that are given an extra kick of energy from the bright acids. Medium in body and translucent in the glass, the Parej is super expressive today.

A few more years in bottle should help smooth out the tannins and soften the acidity. Overall, the 2013 is a very pretty, charming Barolo that shows the more feminine side of Nebbiolo.
